Please add any additional order notes or requirements here

Notes

- Panels less than 1800mm are charged at 1800mm panel length plus an additional charge for offline cutting.
- Delivery charges may apply, rate dependent on quantity and lengths ordered as well as location and day required.
- A charge may be incurred where panels are requested by the customer to have less than 6 panels per pack.
- Any additions to orders already placed may be charged at alternative rates.
